Devil's Bridge (An Alexandra Cooper Novel) Linda Fairstein

In her seventeenth Alexandra Cooper thriller, *New York Times* bestselling author Linda Fairstein takes readers where they have never been before: Inside the mind of NYPD Detective Mike Chapman.

The Manhattan waterfront is one of New York City's most magnificent vistas, boasting both the majestic Statue of Liberty and the George Washington Bridge, the world's busiest span for motor vehicles. But in *Devil's Bridge*, Detective Mike Chapman will discover the peril that lurks along this seemingly benign expanse as he takes on his most personal case yet: the disappearance of Alex Cooper.

Coop's sudden disappearance is fraught with terrifying complications: scores of enemies she has made after a decade of putting criminals behind bars; a recent security breach with dangerous repercussions; and a new intimacy in her relationship with Mike, causing the Police Commissioner himself to be wary of the methods Mike will use to get Coop back... if he can.

Once again, Linda Fairstein proves why she is "one of the best crime fiction writers in America today"* with her most intense Alexandra Cooper novel yet.

*Nelson DeMille
