Historia de Estados Unidos (Spanish Edition)

Carmen de la Guardia Herrero

Historia de Estados Unidos (Spanish Edition) Carmen de la Guardia Herrero

Uno de los rasgos que más han resaltado las obras centradas en la Historia de los Estados Unidos es el de su excepcionalismo. Si bien en casi todas las historias nacionales se habla de excepcionalismo, en los trabajos históricos sobre los Estados Unidos la insistencia sobre la singularidad de su desarrollo histórico es todavía mayor. Desde la fundación de las primeras colonias inglesas en América del Norte, el deseo de alejamiento y de realización de un mundo verdaderamente nuevo, más equilibrado y justo que el de la vieja Europa, estuvo presente. Esa idea de separación, de ruptura, de diferencia, ha sido un hilo conductor, según muchos historiadores, del desarrollo histórico de la nación americana.

Una de las primeras conclusiones de este breve recorrido por la Historia de los Estados Unidos es que las corrientes culturales, los ritmos económicos, los movimientos y los conflictos sociales son similares a los del resto de América y de Europa. Es verdad que la Historia de Estados Unidos tiene matices que la separan de otras historias nacionales pero están más relacionados con el ritmo y las características de su propio crecimiento que con razones de excepcionalidad política o cultural.

La historia de los Estados Unidos es una historia rica y con muchas más sutilezas que la que en muchas ocasiones sus historiadores nos han dejado ver. Esta Historia de los Estados Unidos, pretende acompañar al lector a través de un recorrido por el tiempo y el espacio estadounidense. Engarzado alrededor de su crecimiento territorial, demográfico, económico, político, y de prestigio cultural, este libro también se detiene en los conflictos y en las fisuras que hacen que la historia de esta potencia sea una historia rica, compleja, y que su comprensión este expuesta a múltiples interpretaciones.
