The Best of Me Nicholas Sparks

In the fall of 1984, high-school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths.

Now, 25 years later, Amanda and Dawson are summoned back to Oriental for a funeral. Neither has lived the life they imagined - and neither can forget the passionate first love that forever changed their lives. Forced to confront painful memories, the two former lovers soon realize that everything they thought they knew - about themselves and the dreams they held dear - was not as it seemed. And in the course of a single, searing weekend, they will ask of the living, and the dead: *Can love truly rewrite the past?*
