## Turkish Delights by Trina Lane

*Three very different men from three different countries look to build a love greater than any Wonder of the World.*

Project manager Garrett Sloan builds majestic hotels for the rich and famous around the world, but when it comes to love, all his relationships seem to crumble. His latest project lands him in Istanbul, where the desire he's held for a certain French architect heats up under the Middle Eastern sun, and his resolve never to mix business with pleasure melts beneath the added hot stare and skilled hands of a Turkish mason.

The three men discover they want to build a relationship to stand the test of time—much like Kyle LaFleure's buildings and Emir ?ahin's stonework. As the bonds between Garrett and his partners grow stronger and more complex, they work to lay the perfect foundation on which to build a lasting relationship. Can the three men construct a relationship that will endure? Or will their love reach its zenith when their shared task of finishing the ultimate Ottoman luxury hotel reaches its completion?

## About the Author:

If you look up the word conundrum in the dictionary, there should be a photo of Trina Lane. Her personality

is so multifaceted that her friends have spent countless hours scratching their heads in wonder. A scientist with a passion for history, music and photography she loves to travel and experience new places but is terminally shy around people she doesn't know.

Trina has been devouring romance novels since her tender teenage years, although only began writing in 2007. When her debut novel was met with resounding success, she said "Hey I can do that again". The rest as they say is history.

Her choices in reading and writing material are as diverse as her iTunes library, which contains music from Mozart to Metallica. Her one concession is all stories must have a happily ever after ending—did we mention she's incurably romantic?

She lives in Missouri with her loving and indulgent husband, and orange tabby cat—affectionately referred to as 'Houdini' for his stealthy escape attempts.
