Book 2 Description

Mr Pierce was kissing me, he was actually kissing me and it felt good. Then he started caressing my cheek slowly, then my neck. I was not even sure how to react. This cold boss of mine was kissing me, touching my face and neck. Then he was caressing my side. He caress was magical. It sent shivers down my spine and ripples of pleasure around my body. He pulled me closer to me and deepened the kiss. My hands hung at my side awkwardly. I was not sure if I was supposed to touch him.

When he broke off the kiss, I stood there just staring him, panting. His green gaze was resting on my face. He looked hungry, hungry for me. It made me nervous and confused. I had no idea what had just happened. I had my hands in mid air with my palms up. I put them the back down. I scratched the back of my head. "Mr..." I drifted off. I could not even say anything. I sighed with pleasure, I turned on my heel and left the room.

Book 3 Description

Kelly arrived just in time to help with the moving. The moving van was already there. Ruby sat on the side walk with her doll as I was packing. As soon as Kelly greeted me, she knew that there was something wrong with me. She held me by my shoulders and searched my eyes. "What is wrong?" She asked me.

"Jermaine" I replied. Just the sound of the name turned her face dark. She dropped her hands from my shoulders.

"What did that bastard do?"

I picked up a box. "Showed up at my work" I put the box in the van. I walked back to the other boxes. I could hear Kelly muttering curse words. "Yes and he said he missed me" I said as I put another box in the van.

"Okay Em, just come here for a second and let the men load up the van" Kelly grabbed me and pulled me towards her. "Tell me everything that happened"

"That was it. I slapped him after he said that and left"

"He's lucky it was you not me"

That was very much true. Kelly would have punched him the first moment she saw him. She had a shorter temper than me. Her motto was to strike first, ask questions later. She hated him as much as I did if not more. Over time, I had been able to let go off him. Being with Jason strangely made me forget. Yes he was a complicated man who probably did not like me the way I would want him to but he was a better man than Jermaine. He was who he was. He was cold but honest.

Honesty was the best gift to a person. Jermaine was not honest. He pretended to love and showered me with compliments. He was the exact opposite of Jason.
