**Fairies, Trolls, & Goblins Galore: Poems about Fantastic Creatures** Dilys Evans

**Meet sixteen different fantastic creatures as a girl searches for (and sometimes finds) the magical folk living around her.**

Jacqueline Rogers's illustrations are packed with hidden creatures for children to discover, including a troll who appears in many scenes. And Dilys Evans combines beloved poets like Rachel Field and Monica Shannon with new voices for a refreshingly modern, high-spirited collection. There's even a spread with definitions for each creature, so readers will learn how to recognize the faery folk in their own neighborhoods.
