German Night Fighters Versus Bomber Command 1943-1945 (The Second World War by Night)

Martin W Bowman

This new volume from Martin Bowman examines the closing years of the Second World War, as the tide turned against the German and Axis forces. It includes riveting first-hand accounts from German fighter pilots caught up in some of the most dramatic night time conflicts of the latter war years.

Viewing Bomber Command's operations through the eyes of the enemy, the reader is offered a fresh and intriguing perspective. Set in context by Bowman's historical narrative, these snippets of pilot testimony work to offer an authentic sense of the times at hand.
