**The groundbreaking Novel by Nicholas Black**

In this coming of age story a tragic accident leaves Trevor looking for a place to call home. And now that his parents are gone the only one he can turn to is his uncle Gary—the legendary fetish-porn producer. Surrounded by new friends, a new school, and an environment that he could never have imagined, Trevor finds that the past he thought he knew was a well constructed lie.

Little by little, the disturbing truth is brought to the surface and he finds that guidance and understanding can come from the most unlikely of people. Just when he thinks he is getting his life back together, tragedy strikes again.

And then he is given the Diary.

Be warned—this story is not for the faint of heart. It is an incredible mix of mystery and comedy, turmoil and suspense. Sodomy Cat has a way of getting under your skin. It'll knock on your door at 3 in the morning, sneak into your bedroom, and pull your panties down.
