## **International Aviation Law: A Practical Guide** Ronald I.C. Bartsch

International Aviation Law: A Practical Guide explains the international context and application of the law as it applies to commercial and recreational aviation, and to the broader aviation environment. It provides a comprehensive introduction to all aspects of aviation law from criminal law to contract law to the legal duties and responsibility of aircrew and other aviation personnel including airport operators, air traffic controllers and aircraft engineers. Each area of the law is clearly explained in accessible language and supported with practical case studies to illustrate the application of the law within an operational aviation context. It also provides advice on how to avoid or minimize legal liability for aviation practitioners and enthusiasts.
