**Medical and Psychiatric Issues for Counsellors (Professional Skills for Counsellors Series)** Brian Daines, Linda Gask, Amanda Howe

Counselors often encounter situations where clients' medical or psychiatric conditions and their treatment affect the assessment of, or work with, clients. This **Second Edition** of **Medical and Psychiatric Issues for Counsellors** offers a comprehensive overview highlighting key concerns and offering practical advice for judging when a situation may be beyond the counselor's skills. The original text has been completely updated and restructured to ensure material is presented in the most user-friendly format, and three brand new chapters have been added: a new introductory chapter which provides a contextual framework for the reader; a chapter on the common principles of care and working with others; and a new concluding chapter
