Strangers to These Shores: Race and Ethnic Relations in the United States (9th Edition) Vincent N. Parrillo

This top-selling, comprehensive text on racial and ethnic relations in the U.S. covers theoretical issues and the experiences of more than 50 racial, ethnic, and religious groups. *Strangers to these Shores* provides broad, yet specific coverage of Europeans, Native Americans, African Americans, Hispanics, Arabs, religious minorities, and women as a minority group.

This text systematically applies the three main sociological perspectives as a consistent framework for analysis. Also, it introduces “the stranger” concept in an analysis of the stranger as a social phenomena, and the text continues to carry this unifying theme throughout the study of all minority groups. This text provides first-hand immigrant accounts and comparative examples from other countries through “Ethnic Experience” and “International Scene” boxes.

The final chapter, “The Ever-Changing U.S. Mosaic,” brings synthesis to the many groups represented in the text.
