Twisted Together (Monsters in the Dark) (Volume 3) Pepper Winters

The highly anticipated conclusion to the Monsters in the Dark series, complete at 175,000 words. “After battling through hell, I brought my esclave back from the brink of ruin. I sacrificed everything—my heart, my mind, my very desires to bring her back to life. And for a while, I thought it broke me, that I’d never be the same. But slowly the beast is growing bolder, and it’s finally time to show Tess how beautiful the dark can be.” Q gave everything to bring Tess back. In return, he expects nothing less. Tess may have leashed and tamed him, but he’s still a monster inside. ** After surviving the darkness, a new dawn has begun. Twisted Together wades through black to grey, chasing the light of true love to banish the shadows forever. Pain is a requirement, connection a necessity. But ultimately Q and Tess must face their demons, before they can embrace their future.
