Visible Spectrum: A Coloring Book Journey Scott Ennis

Visible Spectrum takes adults (and children who are cool) on a grey matter journey. Listen with your eyes to the plucking of your heart strings and tickling of your funny bone. This book neither has rules nor follows them. Journey stops include a beachside boxing match between a pirate and a thresher shark, a knight winning convict poker and a man whose dream of riding the Loch Ness Monster seem impossibly far off. This coloring book covers a diversity of landscapes, actions, characters and emotions across 25 unique works of art.
