The rhythm of love

Lina Smith-Todd is a winning bid away from owning a piece of musical history. The auction heats up when she discovers that her chief competition for a piano owned by Thelonious Monk is the man who once shared her bed. But the priceless baby grand isn't all that the seductive, supremely confident musician intends to possess. Rashad MacRae wants a second chance to be with Lina.

Rashad's passion for music was inspired by the legendary Monk. But if walking away with the prize means losing his shot at a future with Lina, he's ready to concede defeat. To entice her back into his arms, Rashad has to find a way to regain the self-sufficient attorney's trust. And now a family revelation could cost him everything. Can doubt be swept away by the promise of an everlasting love song they both know by heart?
