Judas: Images of the Lost Disciple Kim Paffenroth

Judas has been portrayed as an effete intellectual, a jealous lover, a greedy scoundrel, a misguided patriot, a doomed hero, a man destroyed by despair and God's special, misunderstood messenger and agent. This volume traces the development of the literature and legend surrounding the most famous traitor in Western history. Its purpose is not to find the Judas of history, but rather to provide readers with a map or family tree that shows the similarities and connections between generations of the Judas story.
