New Order (Bo Blackman Book 2) Helen Harper

Bo Blackman is not adjusting to her new life as a fledgling vampire particularly well. Drinking blood sickens her and, despite her new enhanced physical skills and the attention she's receiving from Lord Montserrat, she's desperate to find a cure. When her illegal search takes her to the door of Fingertips and Frolics, a small family-run magic shop, she becomes embroiled in a dangerous game of tit-for-tat with murderous consequences. To complicate matters further, she's forced to also take on a case of apparent kidnapping. But with no ransom demand and a client she despises, it may be more of a struggle to solve than she realises.

This is the second book in the urban fantasy thriller Bo Blackman series by the author of Blood Destiny.
