Quash Your Quake In Interview And Inspirational Group Discussion: Theoretical Overview P.R. Ramji

The theme of the book acquires a special significance in the present day context and has been made a part of curriculum for students. The major themes- Interview, Self- Assessment and attitude, were involved for students to face the interview confidently. I make use of various reports, documents source to make this book students' friendly. The title of this book, "How to Face Interview confidently", speaks two fundamental components of Interview: Behavior relationships and Attitude. In this text, students will discover the unique performance, the skills that lead to success, and the roles, tasks, and processes that overlay the way for effective Interview. This book also, termed 'Group discussion'. Nowadays Group Discussion is being extensively used along with personal interviews for the final selection of candidates. It plays a main role in selecting the best among the best. Having scored high marks, students who get selected for a higher/another course or employment are placed on a par - on equal footing - based on their age, qualification and experience. It is fairly easy to tell if the discussion is going well by the participation levels among the members, and by the creative quality of the comments. So have fun!
