**New York Times & USA Today Best Selling Author Nashoda Rose** brings a fresh twist to the paranormal romance world with 'the Scars'.

I remember nothing of my abduction two years ago. Sounds and scents trigger horrific flashes, but it's all a blur except for one man with brilliant green eyes. When the tatted six foot two Adonis shows up at my door, my knowledge of the world is shattered.

Bound to the immortal Scar by an ancient spell, we are on the run. Because Balen is the hunted.

**And if he dies, so do I.**

*Balen*

My code of honor was respected without question ... until I consumed the blood of a vampire in exchange for a mortal woman's freedom.

The Scars want me imprisoned. The Wraiths want me dead.

But the woman I can't forget needs me. And I'll risk everything to protect her.

Even if it means killing her.

**Because in order for her to live—first she must die.**

*Full-length novel. Come meet the Scars.* 18+ due to sexual content and harsh language.
