The Liberating Spirit: Toward an Hispanic American Pentecostal Social Ethic Mr. Eldin Villafane

The provocative material in this highly successful treatise has captured the attention of theologians, ethicists, and members of the Hispanic community alike. Throughout this compelling study, the author remains driven by a single-minded goal — the construction of a social ethic for the Hispanic Pentecostal Church in America that both coheres with the Hispanic American sociocultural experience and remains consistent with Hispanic Pentecostalism's self-understanding of ethics emerging from its experience of the Spirit.
