Transformational Leadership Ronald E. Riggio, Bernard M. Bass

Transformational Leadership, Second Edition is intended for both the scholars and serious students of leadership. It is a comprehensive review of theorizing and empirical research that can serve as a reference and starting point for additional research on the theory. It can be used as a supplementary textbook in an intense course on leadership--or as a primary text in a course or seminar focusing on transformational leadership.

New in the *Second Edition*:

- *New, updated examples of leadership have been included to help illustrate the concepts, as well as show the broad range of transformational leadership in a variety of settings.
- *New chapters have been added focusing specifically on the measurement of transformational leadership and transformational leadership and effectiveness.
- *The discussion of both predictors and effects of transformational leadership is greatly expanded.
- *Much more emphasis is given to authentic vs. inauthentic transformational leadership.
- *Suggestions are made for guiding the future of research and applications of transformational leadership.
- ***A greatly expanded reference list is included.**
