Truth Left Behind: Exposing End-Time Errors about the Rapture and the Antichrist Steve Wohlberg

In 1995, a Christian novel about earth's final days was published called Left Behind. This single book (the first of many in the series) was voted "One of the top ten best-selling books of the 20th century" by bookstore giant Barnes & Noble. "Left Behind: The Movie" was released on February 2, 2001 in theaters across America. But despite the popularity of these books, could Left Behind's portrayal of missing people also be missing important Bible truths?

The purpose of this book is to take a closer look at Revelation's final prophecies about the Rapture, the Tribulation, the Antichrist and his deadly mark (Revelation 14:9, 14). What's true about the Rapture? What's false? According to author Steve Wohlberg, when it comes to understanding God's truth, we cannot afford to be "left behind!"
