BOOK THREE - TRIPLE X TEXAS WOMEN TRILOGY

"You deserve a good, hard spanking."

Jessie pulled back on her arm but couldn't loosen the iron grip James had over her wrist. "No!" she protested.

"You can't be serious!" She jerked hard on her arm and began swinging with her other fist to fight him off.

He only grinned at her attempts. "You should try picking on someone your own size," he told her.

"You horse's ass," she shouted. "I'll get even with you for this if its the last thing I do!" Just then, a spark of fear flew through her and she grabbed him around the neck to keep from falling.

James was unprepared for the feeling of her arm around his neck and her breasts flush with his chest. He felt as though his heart had suddenly dropped to his toes. He stopped moving and released her wrist, wrapping his other arm around her waist, supporting her there....

..."Jessie?" he rasped. Lowering his head, he saw the look of surprise in Jessie's eyes just before he claimed her lips in a devouring kiss....

Jessie Braddock was 'Hell on Horseback' as a child, riding free and wild across the Triple X ranch, her home. Then her parents sent her, kicking and screaming, to Charleston to learn to be a lady. Four years later she has learned to be a lady but her love of her home in Texas has never died, something she realizes too late when she discovers her parents have sold the Triple X! ...and to their ranch foreman, James Bonner.

She remembers 'Jamie', she met him when, at twelve years of age, she ran away to join her older sister's cattle drive. He was cute then...but she was just a child. She's no longer a child and she's learned a lot in Charleston. Perhaps she can convince him to sell her back the Triple X.

James Bonner has worked hard and poured everything he has into the Triple X. When he's warned by Jessie's parents that she's headed his way to get back the Triple X, he's annoyed to have to deal with the inconvenience of telling her to get back on the train and go home. He's not selling! But he's also not prepared for the startlingly beautiful woman Jessie has grown into. This couldn't be the wild child he remembered?

Jessie is also unprepared for the man James has become....and for the passion neither one seems able to control.

Another woman and danger throughout this final story in The Women of the Triple X Texas trilogy will keep you on the edge of your seat through this fast-paced read!

If you haven't read the first two books in this series, Rosebud and The Goodnight Loving Trail, please take a look at them. I'm sure you'll enjoy the saga.
