## **Dog Country** Malcolm F. Cross

A crowdfunded civil war is Azerbaijan's only hope against its murderous dictatorship. The war is Edane Estian's only chance to find out if he's more than what he was designed to be.

He's a clone soldier, engineered from a dog's DNA and hardened by a brutal training regime. He'd be perfect for the job if an outraged society hadn't intervened, freed him at age seven, and placed him in an adopted family.

Is he Edane? Cathy and Beth's son, Janine's boyfriend, valued member of his MilSim sports team? Or is he still White-Six, serial number CNR5-4853-W6, the untroubled killing machine?

By joining a war to protect the powerless, he hopes to become more than the sum of his parts.

Without White-Six, he'll never survive this war. If that's all he can be, he'll never leave it.
