Going Local: your guide to Swiss schooling Margaret Oertig

Going Local is an authoritative guide for parents who wish to gain better understanding of the Swiss school system. It maps out all the stages of schooling from Kindergarten to university in all 26 cantons, providing key facts and useful terminology in German, French and Italian. Going Local unravels how children advance through the school system and lists the different selection criteria around the country for the academic path. It also clearly explains the range of options and alternative paths that lead to tertiary education. It highlights issues parents need to address in order to help their children reach their full educational potential. Tips are given to help parents manage their relationship with the school, drawing on the expertise of professionals and the experiences and insights of other parents, both from Switzerland and abroad.
