I Wish Elizabeth Langston

Lacey Linden is hiding the truth of her life--a depressed mom, a crumbling house, and bills too big to pay. While her high school classmates see a girl with a ready smile and good grades, Lacey spends her evenings seeking ways to save her family. On a *get-cash-quick* trip to the flea market, Lacey stumbles over a music box that seemingly begs her to take it home. She does, only to find that it's inhabited by a gorgeous genie. He offers her a month of wishes, one per day, but there's a catch. Each wish must be *humanly possible*.

Grant belongs to a league of supernatural beings, dedicated to serving humans in need. After two years of fulfilling the boring wishes of conventional teens, he is one assignment away from promotion to a challenging new role with more daring cases. Yet his month with Lacey is everything that he expects, and nothing like he imagines. Lacey and Grant soon discover that the most difficult task of all might be saying goodbye.
