Bradley Adams has always been focused on making money and little else... until he meets Harper Simpson. Harper might not be impressed by his money, but she's also never looked at Bradley as anything more than a hot sex object. That ends now. Harper doesn't know what else to make of Bradley. The tall, elegant, smooth, muscular man looks more like a model than a ruthless business investor. Rumor is that he's New York City's biggest player. From the moment he decides to turn his quiet intensity on her, Harper is left weak at the knees and aching to see him fully unleashed. Harper should guard her heart and walk away; they live vastly different lives and Bradley is a known player. But the intense desire is too much... And Bradley has upped his game and is using all his considerable charm to convince Harper he's after something more. Can Harper open her heart enough to let him in? This is a delicious stand-alone contemporary romance story with mature situations. Readers should be 18 plus.
