An intense desire for physical sexual contact, just like any other intense and passionate desire, is potent creative energy seeking expression or outlet.

That self-same creative potency projecting as tumultuous sex drive or sexual energy can become Intellectual energy, Money energy, Political energy, Professional energy, Sports energy, Spiritual energy, or whatever type of energy you need at any point in time.

Indeed, the creative powers of sex transcend procreation. Unfortunately, many men being unaware unknowingly dissipate, and thus fail to avail themselves of the innate superlative powers of their abundant sex drive; and this is one primary cause of mediocrity.

Sex, the carnal root of Man's generation, can be the source of his degeneration, yet holds the key to his regeneration. When properly harnessed, the primordial powers of sex and its creative essences that initiate all earthly existence can be used to achieve anything you want. This book tells you exactly how.

"In the source of every vital Power lie the sources of endless Wealth" ...Napoleon Hill
