## Ultimate Sacrifice (Relegated) (Volume 3) Brett Jensen

The Augments derived their power from their slaves and technology and the demon worshippers harnessed the power of human sacrifice, but no one thought to question the source of power behind the mysterious Divine Keys. Though the abilities they gave their guardians were taken for granted, nothing is free. After having attempted to change history on their own terms, the Divine Key bearers now seek to understand the reason they were forged, and the truth behind their enigmatic maker... but as the inevitable conflict between the divine and demonic draws to its climax, will they be prepared to sacrifice what is required to save their world?
