Oddsfish! Robert Hugh Benson

Robert Hugh Benson AFSC KC*SG KGCHS (18 November 1871 – 19 October 1914) was an English Anglican priest who in 1903 was received into the Roman Catholic Church in which he was ordained priest in 1904. He was lauded in his own day as one of the leading figures in English literature, having written the notable novel *Lord of the World* (1907). "Oddsfish!" (a title derived from King Charles' favorite epithet) is the last of Benson's historical romances and describes the plots and political movements of the closing scenes of the life of Charles II. Interwoven with the accurately portrayed events and places of the time are fictitious characters, including the narrator, Mr. Roger Mallock and his cousin and lady-love Dolly. Sent by Pope Innocent XI to Charles' court as a diplomatic representative of the Vatican, Mallock becomes a trusted confidant of the King and acts upon Charles's deathbed wish to give his confession to, and receive absolution from, a Catholic priest.
