Deep below the sea, a submarine mission turns dangerous for a SMART and SEXY female cadet until she encounters TWO IRRESISTIBLY HOT men from another planet who unlock mysteries she had never allowed her imagination to explore until now.

Allie Roberts has always been proud and excited to be in the Navy, but for the last six months, she feels that she's fallen into a bit of a rut. She's completed every type of mission with accolades, seen every continent that she's ever dreamed of seeing—and she's accomplished all of this in less than five years. Now that she's being asked to sign on for an additional two years, she's faced with a difficult decision: figure out what's making her feel stuck, or find something or someone new to ignite her **passion**.

Allie plans to use her next routine submarine exploration mission to meditate on which direction her future should take—but instead, her sub is viciously attacked by an **enormous glowing sea monster** before she has time to even reach the seafloor. Luckily, her life is spared by the work of **two strange but irresistibly sexy male beings** who happen to be nearby. Even stranger, they've been sent on a mission to the exact location that Allie was targeting, and they have no plans for coming back empty handed.

Has Allie stumbled upon an **ancient secret** that's best left alone—or has she finally found the key in these two stunning beings that will **unlock** the door to the **destiny** she has **longed** for her entire life?

This book is intended for readers age 18 and over. It contains mature situations and language that may be objectionable to some readers.
