Sorcerer's Secrets, Book 1: Translated Secrets of Carlos Castaneda (Volume 1) don Jesus M. Ramirez
Carlos Castaneda reintroduced ancient Toltec wisdom to the world, allowing for a new generation to discover an unparalleled discipline. His academic perspective and abstract explanations succeeded in revealing a long forgotten doorway to knowledge, yet simultaneously abandoned Seekers at its threshold. Today's self-proclaimed modern masters have further distorted this powerful discipline, sacrificing truth in an attempt to market a watered-down version of spirituality to the masses. In one swift motion don Jesus M. Ramirez has swept away the competition with superior explanations of complex concepts, authentically translating secrets of ancient Toltec wisdom. Sorcerer's Secrets, Book 1 takes Seekers to the precipice of knowledge, allowing them to stare down into the abyss. Its insightful Warrior's strategies use practical ideas to demonstrate how self-importance destroys spiritual energy. Without a Warrior's discipline the average person is gradually reduced to a self-indulgent, pitiful, spineless creature, waiting to die. Liberation from the shackles of averageness can be found on the Warrior's path, but only through steadfast discipline. There are no shortcuts or handholding, and just as it is with death, everyone must earn their freedom alone.
