- clear descriptions and numerous vignettes that illustrate teaching practices in action;
- an emphasis on differentiated instruction, and ideas for integrating interventions for struggling students with regular classroom instruction;
- ways of helping students perform better on standardized tests.

The extensive Strategy Bank provides over twenty step-by-step practices, each with three sections: What It Does, How to Do It, and What to Look For. The Resources section provides extensive lists of children's books and sources of books, organized by purpose.
