The Chronicles of AlefA - Sleeping Beauty Minh-Thu Pham

It is an hourglass shaped continent with dual suns at two opposite poles, and with time twisting and twirling around karma. In AlefA, sometimes people wake up finding themselves trapped between their past and future, between reverie and reality... By the time the White Blaze is lit up, disturbing the flows of time, the era of dragons, elvens and wind riders soon fades. The countless thought-to-be-forgotten forces swarm back and once again, drive the Debt-payers into the search for the whole continent's and their own destinies.
