What Did You Do During the War?: The Last Throes of the British Pro-Nazi Right 1940-45 (Routledge Studies in Fascism and the Far Right) Richard Griffiths

This book provides the first detailed account of the various activities undertaken by pre-war fascists, pro-Nazis and/or anti-Semites during the Second World War. Covering both those right-wingers who were interned as potential traitors by the British state under Regulation 18B and those in elite circles who escaped prison, it challenges many of the assumptions and beliefs about this key period of history. Drawing on a vast array of sources, and written with the author's customary clarity and wit, this is an important sequel to the author's previous books on this subject.
