Achieve the College Dream: You Don't Need to Be Rich to Attend a Top School María Carla Chicué
Students with few resources rarely apply to top colleges. Even when they have the academic and extracurricular merits to be admitted to institutions like Harvard, Yale and Princeton, these students usually opt for less selective universities. Many ignore that top colleges are actively seeking outstanding candidates regardless of their economic background. What's more, a great number of colleges offers generous financial aid to make sure every student can afford to attend.

This book is the definitive resource to help high-achieving, low-income students access the best possible college. The author draws from her extensive experience in education to provide advice on important aspects of the path to college such as pursuing a strong high school curriculum, preparing for standardized exams, complementing learning at school, developing leadership, and finding expert help and role models—all through affordable strategies. In the book, the author also guides students through the college application and selection processes, as well as the steps to obtain enough financial aid.

From the very first page, the author sheds light on her own journey to college through deeply personal vignettes, demonstrating by example that students with few resources can reach and succeed at the top universities in the United States.

From reader reviews:

Peter Clark:

People live in this new day time of lifestyle always make an effort to and must have the extra time or they will get large amount of stress from both everyday life and work. So , if we ask do people have spare time, we will say absolutely sure. People is human not really a huge robot. Then we ask again, what kind of activity have you got when the spare time coming to you of course your answer may unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, the actual book you have read is actually Achieve the College Dream: You Don't Need to Be Rich to Attend a Top School.

April Hall:

Playing with family in the park, coming to see the coastal world or hanging out with friends is thing that usually you have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Achieve the College Dream: You Don't Need to Be Rich to Attend a Top School, you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its named reading friends.

Joni Harris:

This Achieve the College Dream: You Don't Need to Be Rich to Attend a Top School is great e-book for you because the content that is full of information for you who have always deal with world and also have to make decision every minute. This specific book reveal it facts accurately using great arrange word or we can claim no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having Achieve the College Dream: You Don't Need to Be Rich to Attend a Top School in your hand like keeping the world in your arm, facts in it is not ridiculous a single. We can say that no publication that offer you world inside ten or fifteen second right but this e-book already do that. So , it is good reading book. Hey Mr. and Mrs. occupied do you still doubt which?

Casey Russell:

Many people spending their time period by playing outside having friends, fun activity along with family or just watching TV all day long. You can have new activity to spend your whole day by studying a book. Ugh, do you think reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, taking everywhere you want in your Mobile phone. Like Achieve the College Dream: You Don't Need to Be Rich to Attend a Top School which is obtaining the e-book version. So , why not try out this book? Let's notice.
