Having marital troubles and don't know how to get back on track? Have a good marriage but want to make it a great marriage? This book looks at what the Bible says about marriage, and provides practical and godly principles to help our marriages be the best they can possibly be.

Section 1 in the book looks at 13 Bible couples and draws from them lessons to help our marriages today. Section 2 provides 13 topical chapters, touching on topics such as intimacy, responsibilities, communication, money, children, romance, in-laws, arguments, and more.

The material was initially used as the foundation for a 6 month interactive Bible class on marriage which had participants from newly weds to a couple who have been married over 50 years. Regardless where you are in your relationship, this book will be a blessing to your marriage.
