Love Vortex: A Sensual Novel Dr. Judith Sheleg

An erotic romance between a life-couch in her 50's and her 26 years old student.

She is a successful life-couch in her late fifties, researching and teaching the secrets of emotional intelligence. He is her client, her student, her trainee. She teaches him to experience, acknowledge and express his feelings, not realizing it is his love and lust for her he will encounter once he is true to himself. Over thirty years separate them, as well as their professional ties, her other man, and their distinct futures. But fervor desire can bridge even unbridgeable gaps.

One spark is sufficient to agitate a blazing flame bigger than they anticipated, hotter than their warmest fantasies.

Through his letters, he ignites her passion and stirs his own, alluring her to play with fire. Two burning bodies melting into one; two souls swept into a heavenly swirl. An animalistic love affair across boundaries and inhibitions; a hopeless romance that finally shatters in a devastating blast.

A shameless erotic letter exchange that will sweeps you from its first words and until its surprising ending.

Love Vortex is an edacious and daring literary piece, written in the form of romantic letter exchange. It skillfully walks between genres, bringing together prose and poetry, as well as astounding erotic art by painter Dror Karta. Intended for men and women who dare go outside the lines and stray off the safe path – be it just in their imagination - to find real love and a youthful thirst for life.
