***THIS IS A STANDALONE NOVEL ***

For more than a decade, life has been one mission after another for Coral Coleman. This time, Coral is on a mission to find the elusive “Ghost,” who Coral believes is responsible for trying to kill her two years ago. Unfortunately for them, they missed her, but in the process took out two of Coral’s teammates—that, Coral takes personally. She comes one step closer to finding him when a case involving Bennett Industries falls into her lap.

There’s just one problem: The current CEO of Bennett Industries is Liam Bennett, the man who was Coral’s best friend-turned lover-turned heart breaker when he walked away from her without any explanation and married another woman.

For the last five years, Liam Bennett has been on his own mission—maintaining control of Bennett Industries while plotting to take down the one man who has kept him from the love of his life. When Coral re-enters Liam’s world for this case, once-buried feelings emerge, secrets are revealed, but most of all, a connection that cannot be denied resurfaces. Liam resolves to put this case to an end and reclaim the woman he’s always wanted. He will have to overcome vindictive family members, betrayal by someone in his inner-circle, and most importantly, have to work to convince the very stubborn Coral that with him is where she belongs.
