Your Soul at Work: How to Live Your Values in the Workplace Bruce Hiebert

This book, unlike so many other books on the subject, is not a management text. Instead, it is a highly readable exploration of the place of work within one's life. Here livelihood takes on its proper role - in relationship to personal values, family and friends, social responsibility, and self-care. Hiebert explores the realm of work even deeper, placing work within a comprehensive understanding of the world - and our place within it - that can be integrated into all religious and spiritual systems.
