## All the Brave Fellows (Revolution at Sea Saga #5) James L. Nelson

James L. Nelson, "the American counterpart to L. Patrick O'Brian" (David Brink), writes breathtaking descriptions of the age when sailors became warriors and warriors became legends. Now his acclaimed Revolution at Sea Saga continues as General George Washington fights a losing battle to keep Philadelphia from the hands of the British.

### ALL THE BRAVE FELLOWS

It is 1777, the Year of the Hangman, and Captain Isaac Biddlecomb is bound for Philadelphia with his wife and child in the Continental brig of the *Charlemagne*. His orders are to take command of the newly built 20-gun frigate *Salmouth* and get her out to sea before she is taken by General Richard Howe's invading army. Unbeknownst to Biddlecomb, the entire British fleet stands between him and the new nation's capital. Forced to run his beloved *Charlemagne* aground, Biddlecomb comes face-to-face with his mortal enemy, Lt. John Smeaton.

Meanwhile, General Washington has yielded Philadelphia to Britain's might. As Biddlecomb and his crew battle to reach the prized *Falmouth*, only shipwright Malachi Foote and a ragtag band of deserters from the Continental Army stand between the vessel and the seemingly unstoppable British Army.
