Easy Ways To Save Gas & Save Money: How To Fight High Gas Prices Mel Leiding

Stop throwing away thousands of dollars at the gas pump every year!

"EASY WAYS TO SAVE GAS AND MONEY" will show you how to permanently cut your fuel costs, no matter what kind of a car, SUV, mini van or truck you drive. The more you drive, the more you save.

This book is the most complete and useful money-saving guide about saving gas available anywhere today. It is much more than just a collection of a few tips on saving gas. This book covers it all and teaches you everything there is to know about how to save gas. It goes far beyond just increasing your gas mileage. It leaves no stone unturned.

If you are fed up with high gas prices and want to do something about it to dramatically decrease your gasoline costs, then this is the book for you.

The author reveals incredible money-saving hints on every page. Here are just a few: when is the best time of day to buy gas; he exposes the "octane myths", where the best places to buy gas are, special gas saving driving techniques, plus much more. You will learn how to drive your car to maximize your gas mileage so you can squeeze every possible mile from each gallon of gas you buy. You will save every time you "fill er up".

This is a book for all drivers of any age or experience. You don't have to be a professional driver or mechanic to use these detailed, but highly effective methods.

By increasing your driving knowledge and techniques a good driver can get at least 30% better gas mileage than an average driver, and 50% better mileage than a poor driver. Read this book and you will increase your gas mileage by 50% or more over the poor driver.

"EASY WAYS TO SAVE GAS AND MONEY" will pay for itself again and again. Share it with your family and friends for a lifetime of savings. It's time for you to pump some cash back into your own pocket!
