The world-changing events of 9/11 became the catalyst that first sent Janine into a deep depression and later to the darkest parts of Africa in her search for the meaning of life. What happened next was a roller coaster ride from owning one of the largest marketing companies in Canada to the streets of Africa where she found herself standing face to face with the AIDS pandemic and trying to understand what to do with 15 million orphans who are left in its wake. Her story is brutally honest and will take you straight to the heart of the issue of Africa's great need. *It's Not Okay With Me* provides truth and insights into Africa in a way that is fresh and filled with hope. All we need to do is say, "It's not okay with me, either" and then act.
