**Parties and Elections in America: The Electoral Process (Parties & Elections in America)** Sandy L. Maisel, Mark D. Brewer

This book provides a comprehensive treatment of political parties and elections in the United States. It covers all elements of parties and the electoral process, including local, state, and national party organizations, American party history and party systems, state and local nominations, state and local elections, presidential nominations, and presidential elections. Separate chapters are devoted to the important subjects of the media in the electoral process and campaign finance. A historical perspective is present throughout. The role of political parties in and the contributions of political parties to representative democracy are examined critically.
