The Wrong Man: Right and Wrong, Book 2 Lane Hayes

Successful owner of an upscale boutique in fabulous West Hollywood, Brandon Good swears by his personal edict to "live in the present". After a bad breakup, he agrees to dog-sit to keep his mind off his ex. Never did he expect the dog to belong to a man from his past, the only man to ever truly break his heart.

When Jake Westley relocates to join the WeHo fire department, the last thing he anticipates is reuniting with his secret high school love. Thrilled with the prospect of reconnecting with Bran, Jake feels no guilt in using his charming old dog as an unwitting matchmaker. As he and Bran rekindle their friendship, it becomes clear the intense attraction they once felt is stronger than ever. But as hard as they try to leave the past behind, painful memories resurface. Bran will have to confront his fears and consider the possibility that the man he swore was absolutely the wrong one might be perfect after all.
