What if...Why not?: Walking Through the Doors of Adventure Kevin E. Beasley

Adventure is about what we do; not about what we plan, strategize or dream about. Adventure begins with “what ifs” and “why nots.” “What if I were to step out to chase that dream?” “Why not take the first step and see what happens?” When we step through the doorway of adventure our life is suddenly worth the living. And we experience life as it was meant to be. I invite you into my journey, but even more, I encourage you to live and breathe your own journey; a journey with the Maker that will leave you wanting more. Walk side by side with me through six trips over fifteen years as I discover life lessons that will guide me until I draw my last breath. From that majestic Alaska Highway to the beauty of the wilderness of Lake Clark, each experience has left burned in my psyche images of a Creator larger than I could have imagined before I took these trips.
