7 Elements of Art is a dynamic new series of art books for young people featuring a blend of today's hot artists and photographers. Each title focuses on a single element of art, Line, Shape, Color, Space, Texture, Value, and Form. Line, the first of the series, presents bold, colorful photos of lines in both our world and in contemporary art. An insightful connection between our everyday, global visual culture and contemporary artwork is elegantly achieved. Can you find the lines that are all around you? This innovative presentation is a sure hit for children and educators alike. From looking at ancient Greek columns to today's hot artists, makes for learning about the visual element of Line fun.
