Easy-to-Make Castle (Dover Children's Activity Books)

A. G. Smith

Easy-to-Make Castle (Dover Children's Activity Books) A. G. Smith

Here's a sturdy, easy-to-assemble paper toy that will provide hours of fun and imaginative adventure for any child. Specially designed for children ages 4 to 10, this easy-to-construct three-dimensional model of a medieval castle comes complete with walls, towers, gate house, great hall, kitchen, well, ramp, and drawbridge. Also included are ten armored knights who stand ready to defend their towering fortress with swords, shields, lance, bows, and arrows.

Step-by-step instructions and simple exploded diagrams explain how to cut, fold, and glue each part, enabling youngsters (with perhaps minimal help from a parent or teacher) to assemble their very own castles (8 5/16" x 8 5/16" x 4 3/8"). Only a few additional inexpensive, readily available materials are required. Youngsters can enhance their playtime castle with additional toy figures and re-create a bit of medieval history by staging their own battles. Here's a fun-filled educational experience that will be welcomed by children, parents, students, and teachers.
