## House Training Dogs to Behave Well in a High Value Home

This is Edition 4 of Tim's COMPLETE House Training Guide, not just housebreaking but everything to get your dog to behave well in the house!

This book even includes the fundamental dog training skill taught at mygermanshepherd.org that the majority of professional dog trainers not yet have. Also, this book makes clear why we must aim to be our dog's **accepted Pack leader** - Not the forced-upon Pack leader that you met on **Cesar's Way!**

"High Value Home" doesn't mean "for rich people only" - rather Tim's House Training Guide is dedicated to prudent dog owners who prize their precious belongings, as well as their dog.

Does your puppy or adult dog give you stress? Is your dog not using the crate voluntarily, barking 'too much', occupying your couch, relieving inside the house, knocking over precious interior,...? Do you sometimes feel challenged by your dog's behavior or non-compliance? Feeling exhausted, or at your wits' end? Apart from emotional stress, dogs can also give us financial trouble too! Dogs that are not trained right can destroy the home when left alone at home. But locking away the dog all day is no solution either.

Here's where Tim's House Training Guide comes in: With this, you can give your dog FREE run of the house, even while you are away, and your dog will keep everything as nice as you expect. Tim's fans love that his training insight "is straight forward, there are no complicated manoeuvres, no acrobatics - just a couple of simple exercises - you could say it's using the kiss method. **Very effective.** Tim's got it beat!"

Do you really want to continue with the 1960ies dog training techniques the famous TV entertainer dog trainers teach you? Like hitting or kicking the dog, poking in the ribs, rattling by the collar, shouting, the threatening arm raised, choke collar or electronic 'training collar', or bribing and luring the dog with 'treat training'??

ALL of that is sooo yesterday! Say goodbye to that. And say goodbye to your troubles and worries with your dog or puppy too. Join the forefront of dog training insight TODAY.
