One Minute Gone: A Porter Hall Novel (Volume 1) David Hansard

Porter Hall was raised in the West and is familiar with animals that can kill you in under a minute. But those seldom attack unless their survival is threatened, or maybe because they're hungry. Yet for all his Western survival skills, he is out of his element among the rich and famous in the middle of New York City, one of the most sophisticated places in the world. In Manhattan, where he is raising six-year-old twins as a single father, he is about to confront the most lethal predator on the planet, his fellow humans. Unlike the untamed creatures of the West, these will kill for revenge or money or love, or sometimes the simple pleasure of killing. In ONE MINUTE GONE, Porter Hall must untangle the riddle of why someone would want to harm him, find out who it is, and stop them before he and his family are destroyed.
