Combine your love of nature with your love of applique! Eight charming garden designs in pictorial applique are highlighted in Petite Garden Quilts, a 32-page booklet by Zena Thorpe. The designs, each a delightful challenge for avid applique artists, are small and, as the author states, 'not for the faint of heart. General instructions regarding embroidered details, adding borders, quilting, and finishing are included. The intricate designs measure no larger than 6 inches square; those shown on the cover are in blocks that are 9 3/4 inches square, including the bindings.
